The next in the series of 'What festivals' returns to Siobhan Davies Studios this spring with an eclectic and thoughtful programme of performances, screenings, installations, talks and workshops. Curated by Frank Bock, **what_now** sets out to unearth and explore the nature and significance of context in defining new developments in dance both in the UK and abroad.

Artists will include Neil Callaghan, Katye Coe, Phil Coy, Michael Kliën, Lizzy Le Quesne, Sheena McGrandles, Gradinger & Schubot, Ivana Müller, Theron Schmidt, Gigi Argyropoulou & Hypatia Vourloumis.

Following on from **What Now** (2009 and 2011) curated by Gill Clarke, along with **What if...** (2010) and **What Matters** (2012) both curated by straybird, **what_now** continues to showcase the incredible diversity and innovation of independent dance artists.
